MAINE
PLANNING BOARD

Dear Property Owner,

March 2, 2021

The Town of Greenville Planning Board has received a Conditional Use Permit Application from William and Lurline Arco, 48 East Road, Map 17 Lot 6. They are proposing to establish a firewood processing yard to the East of their house. Joe Richards will be the person processing the wood. Tree length hardwood is brought to the site, which is then cut, split, loaded, and delivered from this location.

The Greenville Planning Board will review this Conditional Use Permit Application at their stated meeting on Monday March 22, 2021 at the Greenville Town Office Meeting Hall. This meeting starts at 5pm and is open to the public and also available via Zoom. If you are interested in participating via Zoom, please contact me by phone or e-mail.

The review process is per the Town of Greenville Land Use Ordinance 2019, Article III, Permitting Requirements and Procedures, Section 11, Planning Board Review of Conditional Uses, and Article V, Land Use Districts and Requirements, Section 5, District Land Uses-Table V.1., page 12. Your property abuts the property on Map 17 Lot 6, which is why you are receiving this letter.

If you have questions, concerns, would like to comment regarding this application, or would like to participate via Zoom, please notify Code Enforcement Officer Bill Ethier by phone (207) 695-2421, or e-mail ceo@greenvilleme.com, no later than 1 pm March 22, 2021.
