

In order to provide adequate time for Planning Board review, applications for subdivisions and conditional use permits and revisions of previously submitted applications must be completed and time-stamped by the Code Enforcement Officer a minimum of three weeks before the next Planning Board meeting. Please note that the Planning Board meets on the second and fourth Mondays of each month. If an application is not time-stamped three weeks prior to the second or fourth Monday meeting, review of the application may be moved to the next scheduled Planning Board meeting.
