

# **PUBLIC HEARING**

***February 8, 2021***

***6:00PM***

**Town Hall Meeting Room**

**7 Minden Street**

**This Public Hearing is to discuss the following:**

**The Greenville Planning Board is reviewing a Conditional Use Application from Boyle Associates to develop a 19.74 acre Solar Project consisting of 13,572 modules, located on the property South of the former Century 21 building at 166 Moosehead Lake Road, Map 4 Lot 27. The project will produce 4.25 Megawatts of power at its optimum performance.**

**The Planning Board is seeking public comment on the proposed project. Anyone not able to attend in person or via Zoom is encouraged to make written comments to be received no later than February 5, 2021 to:**

**Town of Greenville  
PO Box 1109  
Greenville, ME 04441  
Attn: Bill Ethier**

**A limited number of voting citizens of Greenville, Maine will be allowed into the meeting hall due to Covid-19 restrictions. Masks will be required. You may also attend via Zoom and you will need to request an invitation through email.**

**To request the Zoom Login information, or should you have any other questions or requests, please contact Code Enforcement Officer Bill Ethier at 695-2421 or by e-mail at [ceo@greenvilleme.com](mailto:ceo@greenvilleme.com).**
