January 9, 2020

Dear Mr. Sarnacki,

Please be informed that after considering your letter regarding a permit application for a brewery at 388 Pritham Ave. on account #20-13, as the representative for Moosehead Sanitary District we have the capacity and ability to treat your estimated wastewater flow of 300 gallons per week.

Regards,

A handwritten signature in black ink, appearing to read 'D. Daigle', written in a cursive style.
