

# LUPC Moosehead Regional Planning Project

With the termination of the Concept Plan for the Moosehead Lake Region in 2020, development areas associated with the Plan were removed and a planning process initiated to capture the community's wishes for future land uses in the region. After nearly two years of outreach and input, a draft Moosehead Regional Planning Package has been developed to reflect what we heard. We hope to hear your feedback on the proposals in the Package before it moves to the next step.
